Marion Art Center Presents *Gold in the Hills*

By Anne O'Brien Kakley

*"Fine feathers do not make fine birds,
and all that glitters is not gold."*

Have you ever gotten the feeling that a moustache-twirling villain was secretly plotting against you and your family? Here's your chance to boo and hiss at that dastardly villain. The Marion Art Center will be producing *Gold in the Hills: or, The Dead Sister's Secret*, an early 20th century melodrama written by J. Frank Davis, on August 6, 7, 9, 13, 14, and 15 at 8:00 pm.

Gold in the Hills is directed by Rex McGraw and features music by Nancy Sparklin. It takes place in the 1890's, and tells the story of heroine Nell Stanley (played by Kimberly Teves), who is torn between loving the hero, a "flannel-shirted farmer" named John Dalton (played by Kevin Halligan) and loving the villain, Richard Murgatroyd (played by Paul Kandarian). Nell is blinded by the villain's wealth and silky promises, and agrees to elope with him if he can prove that her salt-of-the-earth suitor, John, is not the honorable man she thinks he is.

What drama! Soon our hero is arrested when his mother's locket is found under a murdered body, and Nell has to make good on her promise. The diabolical Richard stops at nothing to pilfer lovely young Nell from her humble, Christian home, and even convinces her to smoke a cigarette. *Will Nell return home? Will our hero John be vindicated? Will the villain receive his comeuppance? What is the "dead sister's secret"?* You'll have to check out the play and find out.

Since the play is in the style of the old-fashioned melodramas that were popular at the turn of the 20th century, it is a timepiece that will sweep viewers away to a time of Victorian trials and tribulations. This community theater troupe has worked hard to create the Victorian ambiance, with needlepoint side chairs, lace-covered tables, and a fireplace mantle covered in assorted knickknacks. The costumes have all been purchased and fitted in area consignment shops.

Melodramas like *Gold in the Hills* became popular during the Depression when audiences were especially in need of distraction and cathartic release. Audiences would cheer the hero, and boo at the villain, making the production an interactive experience. In keeping with this tradition, Mr. McGraw and Art Director Wendy Bidstrup encourage the audience to be a part of the production with lots of cheering, clapping, and villain hissing.

With exaggerated movements and overwrought statements, expect laugh-out-loud entertainment. This melodrama comes in three acts, with Vaudeville singing numbers to entertain the audience during set changes. Nell's "long-suffering" father, Hiram Stanley, states: "Fine feathers do not make fine birds, and all that glitters is

not gold." This reflects the theme of *Gold in the Hills*: that being honorable but poor is better than being wealthy and morally bankrupt. This is a play that prides itself on being wholesome and upstanding, with nary a mention of that unspeakable "sex appeal." Audiences of all ages will be delighted by this production.

Don't tie your corsets too tight for this event – you are likely to be shocked by the heinous acts of the evil Richard Murgatroyd. Tickets are \$12.50 for members, \$15.00 for general admission. Light refreshments, like wine and soda, will be offered. Since there are only 65 seats available, reservations are encouraged. Call the Marion Art Center at (508) 748-1266 for questions and tickets. The theater is located within the Art Center at 80 Pleasant Street, in Marion village.

Fire Call to Mattapoisett Chowder House

By Anne O'Brien-Kakley

A clogged flue pipe led to a fire call at the Mattapoisett Chowder House on Saturday evening, August 1.

Fire chief Andrew Murray said that the fire was contained to the brick kiln oven chimney, and that the restaurant did not suffer any fire or smoke damage. The brick hearth oven used by the restaurant to cook pizza

The hero, played by Kevin Halligan (left) is framed for murder by the diabolical villain, played by Paul Kandarian (right). The heroine Nell, is played by Kimberly Teves (center). The play will be located in the Marion Art Center, and will take place on August 6, 7, 9, 13, 14, and 15 at 8:00 pm. Photo by Caryn Koffman

cannot be used per order of the fire department until the restaurant has the flue cleaned.

According to Mr. Murray, the fire did not reach the restaurant, but the chimney "made the restaurant smell like smoke."

Mr. Murray said that the evening of August 1 was busy with the fire department responding to four calls between 11:00 pm and 2:00 am. In addition to the Mattapoisett Chowder House call, there was a rollover crash on Aucoot Road, a car accident on the corner of North Street and Crystal Spring, and another minor fire call.

The owner of the Mattapoisett Chowder House was not available for comment.

Volunteering for FISH

By Adam Silva

For over 150 years, FISH has been a community organization that has been about people volunteering their time largely to help the elderly in need in their communities. Every town and city that runs FISH, which began in England, is different, as there is no set structure for the program. Most areas do have some sort of FISH program, although not always called such.

In 1969, Reader's Digest published an article on the organization, stating "In scores of other communities

over the world, volunteers whose slogan is 'Love thy neighbor' are responding to similar appeals: temporarily babysitting in a broken home, preparing meals and doing housework for the suddenly ill, calming the upset, helping those with serious problems reach community outreach welfare agencies. These people are members of one of today's fastest-spreading volunteer movements. They operate under the improbable name of The Fish."

Like any small community, Mattapoisett's take on the FISH program is limited, but that's not to say it doesn't have the possibility to expand to larger realms and possibilities.

We work very hard with the Council on Aging. We work on the side of getting the volunteers to donate their time. Pan Mass Challenge **Biking for a Cure**

By Adam Silva

Bicycle riders journeyed all throughout the state in the battle against cancer as the 30th Annual Pan-Massachusetts Challenge (PMC) took place on August 1 and 2 all across Massachusetts. Over 5,000 cyclists chose from seven routes of varying mileage. The longest route is the original two-day 190-mile Sturbridge to Provincetown route, traveling through 46 towns.

The other six routes were the two-day 180-mile Sturbridge-Bourne-Wellesley route, the 163-mile Wellesley-Bourne-Provincetown route and the 153-mile Wellesley-Bourne-Wellesley route. One-day rides were the 110-mile Sturbridge-Bourne route, the 84-mile Wellesley-Bourne route and the 47-mile Wellesley-Wellesley Sunday loop. Cyclists were required to raise between \$1,000 and \$4,200 to ride in the PMC, depending on the chosen route.

In 2008, over \$35 million was raised, one hundred percent of which goes to cancer research. Due to the present economy, a more realistic goal of \$30 million was attempted this year. Donations can be made until October. The PMC raises more money for charity than any other single event in the country.

"The most amazing thing about the PMC is that with over 5,000 riders, everyone has a story," said PMC rider and current cancer-patient Lisa Windsor, of Mattapoisett. "Every rider has an experience with cancer. They are either riding because they have or have had it or know someone who has or had it. Everyone rides for someone different, but everyone rides for the same thing."

Ms. Windsor took her only window of opportunity away from treatment to train for the ride, all of June and July. "The riders didn't want for anything. We had over 3,000 volunteers and everywhere we went, people were cheering us on, holding up signs, passing out water, just everything. Everywhere we went, we had an army of volunteers helping us along the way. They deserve as much of the credit as the riders do."

During the overnight portion of the two-day event, riders spent the night at Massachusetts Maritime Academy in Buzzard's Bay. Some tents were provided by the PMC, some brought their own, and some of the 5,000 riders stayed in the dormitories of the school. Cyclists' ages range from 13 to 83 and the average age of a rider is 43. The average rider also raises over \$6,000 and solicits about 40 sponsors while training for three months.

The PMC was founded in 1980 by Billy Starr, who is the event's executive director and an active rider in the PMC each year. The first year had 36 riders and raised \$10,200. By 1990, that number had jumped to 980 people generating \$1.3 million. In 2005, the number almost quadrupled from 1990's amount to 3,883 riders that generated \$23 million. The PMC has become so renowned that riders have come from 36 states and eight countries to participate.

Rochester Selectmen Meeting

August 3, 2009

By Anne O'Brien-Kakley

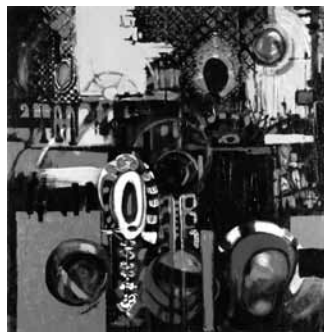

The Rochester Board of Selectmen meeting was called to order by Chairman Richard Nunes at 6:52 pm. Also present were Selectmen Naida Parker and Bradford Morse, and Town Administrator Richard LaCamera.

The first order of the night was the minutes of the previous meeting, which were approved and a motion was made to accept them. The motion passed.

Several items of note were shared. Mr. LaCamera announced again a town administrator meeting in Worcester that will discuss regionalization. He also informed the Board and others present that there would be a retirement party for Scott Ashworth, who retired in July from his position as Rochester fire chief for 37 years.

appointment of Justin Shay to the Registrar of Voters. Mr. Shay was not present to accept the nomination, but the Board hoped that his appointment would lead to him becoming the Registrar, or encourage him to find a replacement. Selectman Parker said that they would be in violation of the law by leaving the position open any longer. A motion was made to accept the appointment, and the motion passed.

Daniel Gaffey, a member of the Rochester Memorial School planning board, presented an update to the board on the progress of the Rochester Memorial School project. Mr. Gaffey said that the renovation project planned for the school will add enough space for 630 more students, and makes a distinct separation of space for school use and space for community use. He presented a detailed and well-organized summary of progress that the Rochester Memorial School planning board has made, and the obstacles that they still face. Some of the obstacles that the planning board face were meeting federal handicapped accessibility requirements, meeting environmental requirements, and meeting the cost requirements. The planning board has tried to stay close to the budget by analyzing and justifying each cost. One way of saving money and time is through using "pre-cast" concrete, which can save two to three months in construction time.

The plans include a two-story structure that will separate the soccer field from traffic and will allow for future expansion of four more classrooms. The initial architectural design will be presented to the committee on August 12, and there will be follow up meetings to refine the design on August 19 and 26. If a good schematic is in place by August 22, the planning board hopes to present the plans at the Rochester Country Fair. Any promotional pamphlets will be funded by the PTO.

The planning board is researching town water options for the school project, as well as gas line options. They plan on preparing a presentation to the State School Building Authority in September, and following state

approval, will do final cost estimates to present at the town meeting.

Mr. Gaffey said that it was important to consider the construction of the school now, despite the bad economy. The state has school building money now, whereas the future is uncertain, and cost of borrowing is at an historic low. However, accurate costs will not be known until the construction bids come in. "Some costs will be known, but not all of them until they come in [from bidders]," Mr. Gaffey said.

Mr. Gaffey went on to discuss the future of Rochester water infrastructure, expressing the belief that the town should seek more sources of water by 2010.

The Board of Selectmen thanked Mr. Gaffey for his thorough presentation.

Rochester Fire Chief Scott Weigel presented two new additions to the fire department. Selectman Parker swore in Andrew Weigel as an on-call firefighter, and Ashley Agri as an on-call firefighter and EMT.

Chairman Nunes said that they had received a letter from the 2010 Commonwealth Capital Policy with information about a grant money online application system. This would be a very complicated process, and there are many grants that are unavailable to Rochester, but it is something that the board will consider.

The Board then addressed the request of Edward

Selectman Morse said that Mr. Buckley had been notified three times starting in February, and therefore felt that Mr. Buckley had had enough time to resolve the dog license issue. Selectman Morse motioned to deny the waiver, and Selectman Parker and Chairman Nunes agreed. The motion to deny the waiver passed unanimously. Selectman Parker said that "she feels badly for people with multiple dogs" in regards to dog licensing, but that if they made the exception for one person, they would have to make an exception for everyone.

There may be discussion of reputation and character of a town employee."

Selectman Parker said that, in order to enter into executive session, there would have to be a mediator, a certified letter sent to the person in question, and a full 48 hours for that person to respond. Mr. Mello expressed frustration that "one elected board can't talk to another elected board" without a lengthy procedure. He feared that the process of a certified letter and the 48 hours would aggravate the situation, and hoped going into executive session might prevent the situation from escalating. Chairman Nunes and Selectman Parker said that they understood his frustration, but reiterated the rules and said that they didn't want to be in violation of open meeting laws. Mr. Mello said that they would have to discuss this issue at the August 10 BOA meeting, with a possible follow-up occurring at the August 17 Selectmen's meeting. Selectman Parker encouraged a discussion at a later date, once all protocols had been followed.

The Board of Selectmen then noted a great need for volunteers on the Industrial Development Committee.

Marion Selectmen's Meeting

August 4, 2009

By Anne O'Brien-Kakley

A regular meeting of the Marion Board of Selectmen was called to order by Chairman Stephen M. Cushing on August 4 at 7:00 pm. Also in attendance were Selectmen Jonathan F. Henry and Roger F. Blanchette,

Town Administrator Paul F. Dawson, and Administrative Assistant Helene Craver. The minutes of the July 7 meeting was approved by the Board.

The first appointment of the evening was with Fire Chief Thomas Joyce in regards to fire personnel. Chief Joyce sought the Board's approval of his appointment of four new firefighters: Ryan Bukre, Burleigh King, David Shaw, and Eric Fichtenmayer. The Board noted that this was Chief Joyce's decision and that he was free to make the move without their approval. Chief Joyce agreed, but said that he wanted to seek approval as a "courtesy" to the Board. Selectman Blanchette thought the additions to the fire department

were "terrific and wonderful", and all members of the Board were pleased by the new firefighters. Chief Joyce said that the department was still reviewing applications for new on-call firefighters, and that the department was looking forward to having "young blood augmenting" the already seasoned firefighters. Selectmen Blanchette noted that large on-call pools for firefighters were beneficial to the town since the firefighters are only paid per call, and a larger pool means more people to pick from.

The Board thanked Chief Joyce for his work, and for considering the Board's opinion in his decision.

The next appointment was with Ray E. Pickles, who presented a concern regarding the Marion town stickers that town residents place on their car bumpers. Mr. Pickle suggested changing the size and location of the stickers, to be smaller and be located on the lower left-hand side of the windshield. This makes recognizing the sticker easier for beach and transfer station attendants.

Selectman Blanchett's main concern with changing the Marion stickers would be accountability for vehicle owners. He cited Rochester as an example of a town that didn't sufficiently reinforce registration numbers clearly written on town stickers. Selectman Blanchett said that a windshield sticker would have adhesive on the text side, making it difficult to write registration numbers on the sticker. He noted that in the past, the police preferred the town sticker on the back bumper. Mr. Pickles said that Police Chief Miller doesn't have a problem with a sticker change. Mr. Dawson said that some towns have starting using pre-numbered stickers that can be recorded along with a registration number for accountability.

Chairman Cushing resolved that the matter

would have to be explored further, and that the registry would need to be consulted, since a windshield sticker could affect visibility.

Mr. Pickles was then joined by Hamish Gravem on the topic of a Marion Senior Center. Mr. Pickles said that there were 5,302 Marion residents, and 28% of those citizens are 60 and over, with that number being closer to one third of the town when considering seasonal residents. Mr. Gravem hoped that the BOS would assist in sending out communication to ascertain an interest in a Marion Senior Center from the citizens in town that were 60 and older. Mr. Pickles and Mr. Gravem were especially interested in having a questionnaire prepared for the town. Since items like the bike path were tied up do to land issues and funding, there are more Selectmen hours available for the Senior Center project. Selectman Henry moved to give all 20 hours to the progress of Marion Senior Center literature and research, and the motion was unanimously passed.

Next on the agenda was the approval of temporary alcohol licenses. The Marion Art Center sought approval to serve wine at their upcoming play, the VFW post sought approval to have a town block party and clam bake, and the Marion Social Club needed a license for a wedding reception. All licenses were passed without issue.

Mr. Gary Buckminster Jr. was appointed as Assistant to the Harbormaster/Shellfish officer to fill an opening. Mr. Buckminster is the current Assistant Harbormaster in Wareham, and was recently in the news for his attempted rescue of Edward Baker, who was fatally wounded in a jet-ski accident on July 13 near the mouth of the Wareham River. The Board unanimously accepted his appointment.

In accordance with 30B, a declaration of surplus material at the Sippican School was presented, but Mr. Dawson noted that most of these items were outdated VHS tapes or water-damaged books, and were most likely not useful to anyone.

An annual request to use the Silvershell Beach parking lot for a reception for Congresswoman Niki Tsongas at the home of John and Shelley Keith was unanimously accepted by the Board.

After hearing all testimony, the Board decided to accept the suggestion of Town Counsel Jon Witten, who presided as the hearing officer in the case of The

Caz. The Caz, a nightclub located off Point Road, was found in violation of liquor laws by serving after hours on two separate occasions: April 26 and May 17. Mr. Witten suggested two separate liquor suspensions, to last three days each and to run concurrently. The proposed days are: August 15, 16, and 17. The Board accepted this proposal, and passed it unanimously. The Caz supporters in the audience did not have a comment.

The Board then discussed the appointment of a new Fire Chief to take over for the Interim Fire Chief Thomas Joyce. Since Chief Joyce has not expressed an urgent need for relief, Chairman Cushing said that they had some time to build a list of criteria and come to a decision. Selectman Henry said that an ideal candidate search committee would consist of a fire department member, a member of the 25/15, a selectman, the harbormaster, and an EMS member.

The BOS heard an update from Mr. Dawson concerning the status of the Police station project. Although the BOS has worked hard to ensure all

ANTIFREEZE POISONING

My dog was in the garage with me as I was changing the antifreeze in my car. He sniffed the old antifreeze and was going to drink it. I stopped him. Would it make him sick?

Antifreeze (Ethylene glycol) has a sweet smell that is, unfortunately, attractive to dogs. It can cause kidney failure if the dog is not treated within 4-6 hours after drinking this poison. If you see your dog or cat drinking antifreeze, take him to your veterinarian immediately.

loopholes are covered in the event of a change order, Mr. Dawson said the BOS should be directly in charge of any changes larger than \$25,000. Selectman Henry said that it was important for the BOS to stay closely involved, and to make sure that the work comes in below the appropriated amount so taxpayers can save money. A motion was accepted to adopt Mr. Dawson's terms.

The Board discussed the agenda and possible dates for a Tri-Town selectmen meeting in the span of August 10-17. The Board agreed on an ideal date of August 11, and during that meeting, will be discussing the topic of a search committee to find a candidate to replace Old Rochester Regional School Superintendent Cooper. Mr. Cooper will not be returning to his post.

The Board also received an update on the A2 ambulance that was involved in an accident on July 22. Mr. Dawson said that an insurance appraisal has indicated that the ambulance can be fixed, and although it received considerable front-end damage, the frame was not affected by the crash. Chairman Cushing said that he wanted confirmation from a frame machine appraisal to confirm that the ambulance frame was undamaged before accepting a visual appraisal. Mr. Dawson agreed, and said that if the damage is confined to the front-end, that the ambulance should be back within two weeks.

The town hall had a minor electrical incident on August 3 when the electrical service coming into the building short-circuited and knocked out power. There was no damage, and no equipment lost. Since NStar is already scheduled to replace old lines, there will be no cost to the town for the incident.

The Board then heard correspondence for the evening. The first item was a letter of resignation from

ORR School Committee Chairperson Robert Nectow. The Board seeks applications from Marion residents to fill in for Mr. Nectow's position until the next election. Dr. John Russell has already sent a letter to the Selectmen expressing interest in the vacancy, though the Board encourages more applicants.

Mr. Dawson said that the Board had been invited to attend the South Coast Rail Economic Development and Land Use Plan meeting in New Bedford on August 5, which Mr. Dawson plans on attending, possibly with Selectman Blanchette.

The Board went into executive session to discuss contract negotiations with non-union personnel at

Anyone wishing to enter the fair may bring their entries to the Grange Hall Friday, August 14 between 2:00 and 4:00 pm, and again in the evening between 7:00 and 8:30 pm. Remember, all flowers, vegetables and fruits must be homegrown. Crafts, canning and conservation exhibits must have been made in the last year. Fair books with all the rules and exhibit suggestions are out. Look for the bright orange books or call Sue at (508) 295-8908 for information.

Coming to the Rochester Grange Fair: Rochester Grange is happy to announce that our favorite Celtic Fiddler, Tiffany Rozenas, will entertain at the fair August 15 at 4:30 pm. Tiffany has been playing since she was nine years old. Now away at college, she still manages to find the time to teach the fiddle to a number of students when she comes home. Her first album, "It's About Time" was released this past December. Be sure to stop by the Grange Hall on August 15 for a very enjoyable hour of music!

Marion Baptist Church Penny Project

Community Baptist Church of Marion

Massachusetts has kicked off The Penny Project to raise awareness of the number of children in Massachusetts who are living in poverty. In 2009, according to the National Center for Children in Poverty, 14% of the population in Massachusetts is living at or below the official federal poverty level. Through the Penny Project, Community Baptist Church will be collecting 202,300 pennies one for each child living in poverty to raise awareness of this problem. Funds raised will be donated to local organizations that address childhood hunger, homelessness, illiteracy, or domestic violence and that support quality health care and quality education for children in our surrounding community.

The Nation-wide Penny Project is part of the Children in Poverty Initiative of National Ministries - American Baptist Churches USA. The national goal is to raise 14 million pennies each representing a child who is living in poverty in the United States and Puerto Rico. Community Baptist Church is located at 441 Front Street, Marion. A diverse, open and friendly congregation founded 15 years ago, the church is committed to living out God's ministry in this community in exciting new ways and invites all who are interested to join them in worship on Sunday morning at 10:30 a.m.

our help and yours.

Braiden Norton, of New Bedford, is battling a brain tumor located on the worst part of the brain, near the top of his brain stem, making surgical removal too risky. Doctors said he had a 50 % chance of survival. He is currently undergoing experimental treatment as part of an FDA Stage II clinical trial run by the Burzinski Clinic in Houston, TX. Thankfully, the treatment is working. But the family of two (headed by Braiden's father, Phil) is in need of financial assistance. Because Braiden requires around-the-clock care, Phil has had to drastically reduce his hours at his full-time job in order to provide for Braiden's care.

Rochester Country Fair

August 21-23, 2009

It's Country Fair time again! This year is a special year. The Rochester Country Fair is celebrating its 10th Anniversary with a "Mardi Gras" Theme. A Town Ball Game at Dexter Lane kicks off the week on Wednesday, August 19 when the Rochester Fire Department will face off against the Police Department. The actual fair itself will take place at Plumb Corner and begins on Friday evening, August 21 with a Woodsman Show contest. Old-Fashioned Country Fair fun will take place on Saturday, August 22 through Sunday, August 23.

• **Bring in those pictures!** We are looking for photos of past celebrations. Enter photos of previous country fairs, parades, sports events and any other Rochester event or celebration. Rochester has celebrated its history in style and with many memorable events. Let's take a look back and share the photos we have taken. Entry forms for this exhibit can be filled out at Bev Loves Books at Plumb Corner Mall in Rochester. The photos should be framed for display and dropped off at Bev's by August 20. Help us celebrate our town! Cash prizes will be presented at the fair. Forms and rules can be printed from website www.rochesterma.com.

along the Rochester Country Fair Parade Route will have the opportunity to participate in a "Mardi Gras" Theme Home Award Contest.

The Committee encourages homeowners along the parade route to decorate the exterior of their home, yard or themselves with the spirit of New Orleans and Mardi Gras in mind. Whether it is bright carnival colors of purple, green, and gold, colorful costumes, decorations and mountains of beads, we look forward to how the residents celebrate our 10th Annual Country Fair with us!

Members of the Committee will judge each home as they pass by in the parade on Sunday, August 23. The only requirement is that homeowners are asked to have their house address clearly visible for judging. Prizes will be awarded to both the winner and the runner up of the contest.

The "Mardi Gras" Theme Parade will begin at 10:00 am on Sunday. Those who wish to participate in the parade can obtain their Parade Applications on the web at www.rochesterma.com or pick one up at Bev Loves Books.

Mattapoisett Museum and Carriage House

As we celebrate Mattapoisett's past on Heritage Days weekend, August 7-9, make a visit to the Mattapoisett Museum and Carriage House as part of your celebration – for here is visible evidence of our heritage.

The special summer exhibit "Treasures of the Past", as well as the regular exhibits at the museum, highlight what has made Mattapoisett special over the years. Here you will see photographs from the past – the early stagecoach, the herring weir in its early days, Split Rock (you all know where that is, don't you?), a 16th century plow, sad irons, vintage clothing, an 18th century loom, arrowheads, spear-points and so much more!

It's your museum and you should come and visit! The museum is located at 5 Church Street and is open Wednesday through Saturday, 1:00 - 4:00 pm through the end of August. For more information, call the museum at (508) 758-2844.

St. Philip's 125th Anniversary

This is a special year for St. Philip's Episcopal Church at 34 Water Street, Mattapoisett. Services were first held in the church in July 1884 and have continued to be held every summer for the last 125 years between early July and early September.

St. Philip's was designed by J.S. Hammond of Mattapoisett and built in 1884. The chancel window facing the harbor was installed in 1969 and depicts St. Philip, a fisherman and carpenter by trade, with his fishing basket and carpenter's tools. Around him are shown three fish native to Buzzards Bay: a scup, a striped bass and a bluefish.

Mattapoisett Tree Committee

The Mattapoisett Tree Committee is committed to preserve and protect trees in our town. This also includes caring for the memorial trees that families have planted on town property. A new tree has been planted at the old Center School entrance to replace an aged tree. The Correia Tree was dedicated in the memory of Deidra Correia who attended Center School where her father had also gone to school as well. The original tree was given by the children of Center School. Now, the Tree Committee has generously given and planted the new tree.

If you would like to make a donation or contribute to a memorial tree for someone in your family, you may send a check to the Town of Mattapoisett for the tree committee. We will be happy to work with you as to a proper choice of tree and location on town property. For further information, you may contact Chairman Elaine Botelho at (508) 758-4909 or Sandy Hering at (508) 758-3009.

any library cardholder who is a seasonal or year-round Mattapoisett resident. We assist the library through fundraising and other volunteer efforts.

Volunteers are needed to assist with library programs including story times, crafts, teaching chess, computer skills, sort and stack books for the annual book sale, help with the children's annual lawn games and summer reading program, and promote the use and enjoyment of our beautiful library.

- This year, we hope to raise \$600 in order to secure a license to show movies at the library. Although the library has hundreds of DVDs available to patrons, copyright laws require that a library hold the proper license to show movies to the public at large. Tax deductible donations may be sent to: Movie Fund, c/o The Friends of the Mattapoisett Library, P.O. Box 1146, Mattapoisett, MA 02739. For more information or to join the Junior Friends of the Library, please contact Children's Librarian Linda Burke at the library, (508) 758-4171, or Group Advisor Kay Smith at smithkd@comcast.net and at (508) 758-6797.

The program began on Tuesday, June 30 and continues for six weeks, ending on Saturday, August 8. During the six weeks, children are asked to keep track of the hours that they read (or for our youngest participants, are read to) or read and write book reviews or complete a Reading Bingo Card. Once a week the children are asked to report their progress and receive a small prize. If at the end of the six weeks, they have read for at least six hours, or read and reviewed at least six books, or completed our Bingo Card then they are invited to attend the Ice Cream Sundae Party on Wednesday, August 12.

Toddler Storytime on Tuesdays from 10:30 to 11:00 am, Preschool Storytime, Thursdays, 10:30 to 11:00 am and Family Storytime, Saturdays, 11:00 to 11:45 am. A drop-in craft project, complete with materials & instructions, will also be available each week.

• This year we have decided to have our program become a charitable effort. Rather than receive a lot of prizes ourselves, we will be earning money for GiftsToGive, a non-profit agency in New Bedford. They repurpose donations of toys & clothing for children and purchase new underwear, socks and school supplies for children in need. You can learn more about their efforts by visiting their website, giftstogive.org. Many students from Old Rochester Regional High School

have volunteered at their New Bedford location helping paint and assemble shelving units. Several continue to volunteer, helping sort and repurpose donations. Parents, businesses and anyone interested in supporting the children in their effort to help others, are invited to make a donation. Further details are available by contacting Mrs. Burke at the library at (508) 758-4171.

Building a Healthy Community at Marion Family Chiropractic

Step into the reception room at Marion Family Chiropractic, and you will see something special is happening there.

You will see an infant who had colic. Her parents are happy she seems more comfortable . . . and that they can finally get a good night's sleep.

You will see a mom who has had headaches and neck pain since she and her daughter were in a car accident a few months ago. She is with her daughter, who is having her spine checked for proper alignment and movement so she won't develop arthritis decades after the accident.

You will see a high school athlete who is coming in to make sure his spine is in alignment so he can be at his best in the big game tonight.

You will see an elderly neighbor who had pain shot down her legs. She had been told that with her degenerated discs and osteoporosis, there was nothing anyone could do. She's now feeling better than she has in decades.

You will see an office worker who came to the office for numbness in her hands. She would like to try a more conservative option than carpal tunnel surgery.

You will see a waitress who had suffered through her heavy work and foot pain for years, and finally has decided to take care of herself and live pain free.

How does chiropractic care work well for so many different people?

"More than anything," Dr. Alicia Crabbe explains, "chiropractic care is about allowing a person – from infants to seniors – to express their best health."

Chiropractors correct vertebral subluxations, tiny misalignments or dysfunctional vertebrae in your spine that interfere with the optimal performance of your nervous system. The nervous system is key to communication in your body, and it must be clear of interference for you to function and feel your best.

MOVIE REVIEW

Make Me Laugh

By Rob Gonsalves
www.robsmovievault.com

Funny People. Starring Adam Sandler and Seth Rogen. Directed by Judd Apatow. Running time: 140 minutes. MPAA rating: R.

The part of *Funny People* that a lot of people have problems with is the part I liked the most — the final third (or, really, the final quarter). George Simmons (Adam Sandler), a world-famous comedian who's been having serious health issues, goes to Marin County to visit his one-time girlfriend Laura (Leslie Mann), now married with kids. For George, she's the one who got away; he beats himself up endlessly for not having been worthy of her (he cheated on her). Writer-director Judd Apatow (*Knocked Up*) settles in: the Marin County section takes far longer than we expect it to, and the longer it goes on, the more we suspect that George *still* isn't worthy of her. He may have aged, he may have battled disease, but he hasn't actually changed much.

In most movies about illness, the lead character matures and learns something about himself amid a drizzle of inspirational schmaltz. Apatow doesn't play that game. George isn't a bastard on the outside and a teddy bear on the inside — he's pretty much a bastard through and through. He takes a wannabe stand-up comic, Ira Wright (Seth Rogen), under his wing, first as a joke writer and then as an all-purpose caretaker (he makes Ira sit at his bedside until he falls asleep). Yet George treats Ira cavalierly, inconsistently. One minute Ira is a buddy; the next he's just an employee. Ira, who gets on stage and dies until he falls back on penis jokes, is just one of many hopefuls yearning to make it in L.A. He's basically in the same boat as his roomies, fellow (and funnier) aspiring stand-up Leo (Jonah Hill) and actor Mark (Jason Schwartzman), who actually *has* made it — he's starring in a lame sitcom called *Yo, Teach!* Yet even Mark's fame may be fleeting — when was the last time you saw Mark Curry, star of the similar *Hangin' with Mr. Cooper*?

I've run hot and cold on Apatow: I enjoyed his directorial debut *The 40-Year-Old Virgin* and had problems with *Knocked Up*. But *Funny People* is easily his most ambitious and fully felt effort. Apatow not only worships comedians but knows them inside out, yet the film isn't a make-'em-laugh-while-you're-crying-inside melodrama like

Punchline; it's closer to *The King of Comedy* or the 1949 Milton Berle vehicle *Always Leave Them Laughing*. In those films, the comedians were hard and cold, which a comedian has to be on some level if he or she is to succeed. (We suspect that cuddly, sensitive Ira is doomed to work at Otto's Deli.) The conversations have the easy flow of improv yet usually lead in angry directions. *Funny People* could have used the tagline for *Clerks* with a modification: "Just because they make you laugh doesn't mean they like you."

The movie made *me* laugh a few times — the scene between a certain rapper and a certain sitcom star will become legendary — but *Funny People* is generally more of a drama with comedic elements. At times it mines the ironic comedy of a bunch of wannabes who want what a big star has, while the star himself would trade it all for the vulgar camaraderie they have (to Apatow's credit, he never has George come out and say this). Towards the end, though, the film gets messier and deeper. George reconnects with Laura, whose amiable husband (Eric Bana) is never around. The two former lovers re-establish their old rhythms and attraction. A reunion is what they think they want. But George hasn't changed; Laura has. What the movie ends up saying is that some funny people will always be alone; their artistic strengths and their personal flaws are two sides of the same coin. It's about as complex as an American mainstream movie is likely to get these days, and the fact that Judd Apatow delivered it, with a bitter and revealing performance by Adam Sandler that far outpaces everything else he's done, is certainly a surprise.

Mattapoisett Heritage Days

Save the Dates, August 7-9 - Beginning Friday evening with The Great American Cookout and Classic Car Show in Shipyard Park and ending with an Ecumenical Vespers Service at St. Philip's Church on the beach, the committee has planned a weekend full of special activities for the community. Bring your family, join your neighbors and participate in a wide variety of low or no-cost events.

Mattapoisett Heritage Days presents Revels Repertory Company in "A Celebration of the Sea" on Sunday, August 9th at Old Rochester Regional High School Auditorium. Revels Rep is the touring ensemble of Revels, Inc., which presents the annual Christmas Revels and other seasonal celebrations in ten cities across the U.S. Chosen by audition, the ensemble of 40 adults and children represents 20 communities from the greater Boston area.

"A Celebration of the Sea" is an original musical theatre production that tells the story of the life and work of whalers and their families along the Eastern Seaboard in the mid-19th century. The street cries, songs, singing games, ballads, chanteys, anthems, dances, and stories describe the fitting out of a sailor's trunk; a farewell to family and friends; shipboard work and entertainment; a whale hunt; a storm at sea; the homeward voyage; and a celebration of the sailors' safe return. The program is appropriate for adults and children ages 6 and up and includes many opportunities for audience participation.

Revels Rep has performed at New England's major maritime sites and events including the New Bedford Whaling Museum, the U.S.S. Constitution Museum, the Nantucket Historical Society, Mystic Seaport and the Salem Maritime Festival.

TRITOWN SPORTS

Mattapoisett residents Mitchell Midwood and Cameron Coelho were members of the 11-and-Under travel team of the Swansea Independent Baseball League which won one of three games last week to finish in a tie for fifth place in the first-ever Bronco League-11 World Series of PONY Baseball held at Harry G. Daniel Park in Chesterfield, Virg.

After bowing to Western Branch, Virg., (12-2), and Channahon, Ill. (15-1), in their first two outings, the SIBL stars rebounded to best Lafayette, La., (7-2), in their finale of pool play in the Green Division of the World Series. Swansea's 1-2 record earned it a fifth-place tie with host Chesterfield in the final Bronco League-11 standings this year.

Walnut, Calif., defeated previously undefeated Tijuana, Baja, Mexico, (6-3), to capture the inaugural Bronco League-11 World Series title. Also competing in the eight-team event was Roosevelt of San Juan, Puerto Rico.

Midwood and Coelho both started and played extensively in Swansea's three World Series contests. Midwood finished with a .500 batting average (3-for-6) and a .600 on-base percentage (6-for-10), while scoring two runs. Coelho collected one hit and eight official plate appearances and shone defensively as a first baseman, catcher and pitcher.

Swansea earned its berth in the World Series by earlier capturing the North Region Tournament championship in Bergen Beach, N.Y., and the East Zone Tournament crown in Davidson, N.C. The SIBL stars also placed first last month in an unaffiliated tournament in Freetown.

According to President David Hadad, this year marked the eighth time in league annals that a SIBL all-star team has qualified to compete in a World Series. All eight squads won at least one World Series game.

Mr. O'Rourke, a senior at Tabor Academy and Marion resident, cleared a personal best of 6'4.75" and placed 15th out of 44 entered athletes in the high jump (young men's division). Mr. O'Rourke says: "It was a great opportunity to see how I matched up against the best high jumpers in the country. I can't wait to try to qualify again next year. I may try the decathlon." The night was kicked off with the National Anthem being sung by Patrick Mc Dermott who is riding in the PMC for his 19th year with Team Hannington. The ceremonial first pitches were thrown out by Todd Fournier, a Dana Farber Cancer Institute patient and friend of Team Hannington, Michael Labonte representing Lindsey's Family Restaurant, a longtime supporter of the Gatemen and Kate Kiernan, representing Ready, Kiernan & McNally. EDITOR'S PICK OF THE WEEK

Free Music

If you are anything like me, music is your lifeblood. Every task – from driving to cleaning the house – deserves its own soundtrack. I love online music stores like iTunes, but paying 99 cents a song starts to hurt the wallet after a while, and I often can't find certain rare or out-of-print albums on iTunes. If you are

**Anne
O'Brien-Kakley**
anne@wanderer.com

looking for new (free) music to inspire your workouts and spontaneous road trips, look no further – you'll be rocking out in no time.

Pandora (www.pandora.com)

If you are looking to play great music on your computer at random, there is Pandora.com. Pandora is the result of the "musical genome project", which was an effort of Will Glaser, Jon Kraft, and Tim Westergren in 2000 to analyze and organize music styles based on 400 musical attributes and a mathematical algorithm. This project recognizes that there are hundreds of subdivisions in music, and that every person is going to have slightly different taste.

Pandora starts with one simple question: what band or songs do you really like? Enter any band, any song, from any era – and you're on your way to finding hundreds of new songs that will become new favorites. The first song/musical artist you provide will give the database a starting point, and from there, you can fine-tune the musical results by clicking on "thumbs up" and "thumbs down" on subsequent songs. The database learns to adapt to your particular taste as you go. Soon, you will love almost every randomly selected song.

Pandora is completely free to use. The only catches are: you must register if you want to hear more than two songs, you have to deal with a couple of ads here and there, and you cannot save any of the songs to a disk. But if you are looking to be introduced to new music that you will definitely love, and if you are looking to just play a steady stream of music from your computer while you work, Pandora is a great resource.

Grooveshark (www.grooveshark.com)

Any song in the world, even the out-of-print

songs that you can't find on iTunes, you'll be able to find on Grooveshark. Grooveshark streams 50 to 60 million songs a month to a growing audience of music lovers.

While Pandora is a good for people who are bored with their current musical lineup and need inspiration, Grooveshark is perfect for the person who knows exactly what they are looking for. Since Grooveshark has a "follow" feature that is similar to Twitter, is also great for networking with friends and other people who share your musical taste. You can "share" songs with a click of a button, or you can copy and paste the URL of the song you like and send it to anyone. Add songs to a queue, and you can listen to a highly personalized playlist for hours. You can "heart" a song to let the website know what kind of music you like, and, much like Pandora, it will start to make suggestions based on the music you enjoy. Although this is a nifty little feature, it is not nearly as precise as the song suggestion feature on Pandora.

Grooveshark has a really user-friendly interface and no invasive ads. Again, you can't save the songs to your laptop or iPod, but you can listen to them any time you are at a computer. If you are on MySpace, or if you have a blog, you can install "widgets" of your favorite music by using the "embed" feature on Grooveshark. Let everyone know how cool your musical taste is, or just annoy your blog readers with some crazy Frank Zappa music.

The Sails Network (www.sailsinc.org)

Now here's the smart way to get all of your music onto your iPod for free. Find the tunes you like on places like Grooveshark and Pandora, and then find the albums on the Sails Library Network. It takes a couple of minutes to sign up for an online Sails account – visit your local library or visit www.sailsinc.org for details.

Once you are set up, you can look through the entire southeastern Massachusetts library network for the albums you want. Even if the album isn't in your local library, if it's in the Sails network, it can be sent to the library that you choose, where you can pick it up. From there, copy the song or the album that you want onto your iPod, and you can listen to your free music anywhere.

A Helping Paw Animal Shelter

A Helping Paw, a local no-kill humane organization, is being hit hard by the current economy. The shelter's income has continued to decline over the last six months, making everyday a struggle just to pay utilities and rent in order to keep the shelter's doors open. Shelter President, Chrissy Tomkiewicz, has continued to face a financial battle since opening the shelter ten years ago.

The shelter phone rings all day long - this is the time of year people are finding kittens under porches or in their yards. A Helping Paw will take in the kittens and rehabilitate them so they can be placed for adoption in loving homes, while spaying the moms so they won't breed anymore.

Shelter volunteers are afraid that without the money to rescue and care for these cats and kittens, they will be left out to take their chances, trying to survive on their own. Chrissy goes on to say, "It is a shame that there are so many more cats and kittens out there that need our help, but we have our hands tied, not having the money to help them."

To help these pets, the shelter is in need of any and all donations; monetary donations for medical care are most needed, but the shelter will also accept: canned cat food, clay litter, paper towels, regular bleach, and even antique and small furniture that can be sold at our thrift shop. Contact A Helping Paw, Box 387, Buzzards Bay, MA 02532, or supplies can be dropped off at 3166 Cranberry Highway, East Wareham. For more information please call AHP at (508) 759-2887 or email ahelpingpaw@aol.com or visit ahelpingpaw.org.

SALOME'S STARS

ARIES (March 21 to April 19) Technology snafus tax your patience. But before you throw that computer or other bulky hardware into the trash, take a deep breath and call someone knowledgeable for help.

TAURUS (April 20 to May 20) Don't be too upset if your generosity goes unappreciated. These things happen, and rather than brood over it, move on. A new friend could open up some exciting new possibilities.

GEMINI (May 21 to June 20) A loved one helps you get through an especially difficult emotional situation. Spend the weekend immersed in the body and soul restorative powers of music and the other arts.

CANCER (June 21 to July 22) You are pretty much in charge of what you want to do this week. However, it might be a good idea to keep an open mind regarding suggestions from people you know you can trust.

LEO (July 23 to August 22) Another chance to shine (something always dear to the Lion's heart) might be resented by others. But you earned it, so enjoy it. The weekend brings news about a family member.

VIRGO (August 23 to September 22) A suggestion that never took off could become viable again. Dust it off, update it if necessary, and resubmit it. In your personal life, a new relationship takes an "interesting" turn.

LIBRA (September 23 to October 22) Confronting a new challenge to your stated position could work to your advantage by settling all doubts once you're able to present a solid defense backed up by equally solid facts.

SCORPIO (October 23 to November 21) You enjoy doing nice things for others. But this is a good time to do something nice for yourself as well. You might want to start by planning a super-special getaway weekend.

SAGITTARIUS (November 22 to December 21) Some changes you feel you need to make might be reasonable and appropriate. But others might lead to new problems. Think things through carefully before you act.

CAPRICORN (December 22 to January 19) Good instincts usually keep the sure-footed Goat on the right path. So, what others might see as stubbornness on your part, in fact reflects your good sense of what is worth supporting.

AQUARIUS (January 20 to February 18) A period of introspection could lead to some surprising conclusions -- and also equally surprising changes -- involving a number of your long-held positions on several issues.

PISCES (February 19 to March 20) The financially practical Pisces might want to take a sensible approach to spending as well as investing. Being prudent now pays off later. A romantic situation moves into another phase.

BORN THIS WEEK: Your sense of curiosity keeps you continually alert for what's new about people, places and things.

Host Families Needed

ASSE International Student Exchange is now accepting applications from host families for the 2009/2010 academic year. By hosting a foreign exchange student from Europe, Asia, North and South America, Australia, New Zealand and South Africa, you provide a rewarding opportunity to a special teenager. These personable and academically select exchange students are bright, curious and anxious to learn about this country through living as part of a family, attending high school and sharing their own culture and language with their newly adopted host family. All students are well screened, insured, speak English and come with their own spending money. The students arrive from their home country shortly before school begins and return at the end of the school year.

Host families provide room and board and guidance for their new son or daughter while

The kitchen will be open for dinner at 5:30 pm and will be serving homemade kale soup and cacolia sandwiches.

Protect Yourself Against Mosquitoes

Avoid Mosquito Bites: Be aware of peak mosquito hours. The hours from dusk to dawn are peak biting times for many mosquitoes. Consider rescheduling outdoor activities that occur during evening or early morning. Wearing long-sleeves, long pants and socks when outdoors will help keep mosquitoes away from your skin.

Apply insect repellent when outdoors - use a repellent with DEET or oil of lemon eucalyptus according to the instructions on the product label. DEET products

should not be used on infants under two months of age and should be used in concentrations of 30% or less on older children. Oil of lemon eucalyptus should not be used on children under three years of age.

Mosquito-Proof Your Home: Drain standing water. Mosquitoes lay their eggs in standing water. Limit the number of places around your home for mosquitoes to breed by either draining or discarding items that hold water. Check rain gutters and drains. Empty any unused flowerpots and wading pools, and change water in birdbaths frequently. Keep mosquitoes outside by having tightly-fitting screens on all of your windows and doors.

The fee for the Ice Cream Social and activities is \$5 per person (ice cream included!) For families of 3 or more the price will be capped at \$15. There is no fee for children under two years of age.

Built in 1834 for whaling merchant William Rotch, Jr., this Greek Revival mansion located on a full city block of formal gardens, is the best example of the "brave house and flowery gardens" described by Herman Melville in Moby-Dick. The period rooms of the house chronicle 150 years of economic and social evolution of the city, as reflected in the residencies of the Rotch, Jones, and Duff families. The Museum is open year round Monday through Saturday from 10:00 am to 4:00 pm, Sunday noon to 4:00 pm. For additional information, please contact the Museum at (508) 997-1401 or visit our website at www.rjdmuseum.org.

ATTENTION DRIVERS

If you are involved in a collision you have the right to have your investment, your vehicle, repaired at a shop of your choice. Your insurance company may suggest a list of repair shops. Do not be persuaded by this list, it is not a guarantee of quality of services, nor does it limit your options. You want a shop who will work for you and with you to put your vehicle back to pre-accident condition. **COLLISION SERVICES OF MARION, INC.** is a licensed, bonded, registered repair shop with the state of Massachusetts. We work with all insurance companies to expedite your repairs. The important thing to remember is we repair the vehicle for you, our customers, not the insurance companies. So remember, if the need arises, contact **COLLISION SERVICES OF MARION, INC.** to get back on the road.

Vineyard. Group members have been sharing their songs and culture for over 20 years at community events, powwows, in classrooms and at other forums to raise awareness of the vibrant singing and cultural traditions of the Wampanoag and other indigenous communities. The group's focus is on the southern style of powwow singing and also many of the more traditional (non-powwow) songs of the Wampanoag and other eastern woodlands indigenous peoples.

Mattapoisett Youth Baseball Association

The Mattapoisett Youth Baseball Association is a non-profit organization that touches nearly 250 children aged five to thirteen from the communities of Mattapoisett, Marion, and Rochester. We are holding

our first annual golf tournament on September 26 at the Acushnet River Golf Course. The MYBA Golf Classic will be a first class golf and social event.

The success of this event will be largely credited to our sponsors, who lent their names and financial support to the event. The money we raise is used for field and equipment updates, instructional clinics, uniforms and tournament registrations. In the fall of 2009, we will start the "Haley Field Project." Once this project is complete, our safety concerns will be remedied, and we will be able to play ball on Haley Field. The field will be ready for the start of the 2010 season.

We are seeking the support of the community to assist us in making our first annual tournament a success. For more information, please call (508) 758-1365.
